*Home buyers, builders and related home industry professionals have come to realize the absolute need for the use of Feng Shui in our environments, especially our living spaces.*

*The adage in Real Estate has always been - Location, Location, Location. Donald Trump many years ago changed the phrase to - "Location, Location, Feng Shui!" after personal experience on how this ancient art improved his life and business endeavors.*

*Now, more than ever, especially during our challenging economic times – this is a must course!*
